Title: Ebcedia Privacy Policy **Last Updated:** December 8, 2025

1. Overview At Ebcedia ("we", "us", or "the app"), we prioritize the privacy and security of our users' ("you") personal data. This Privacy Policy explains how we collect, use, and protect your data when you use our mobile application and website.

2. Information We Collect To provide our services, we may process the following information:

- **Input Data:** Your name, parents' names, partner's name, and birth details entered for analysis.
- **Device Information:** Device model, OS version, unique device identifiers (for ads and analytics).
- **Usage Data:** Your interactions within the app and analysis history.

3. Use of Data (AI & Analysis) Ebcedia uses artificial intelligence technologies to provide personalized interpretations.

- **OpenAI Integration:** The names and parameters you enter are sent anonymously to OpenAI servers solely to generate analysis text. This data is not used to train OpenAI models.
- **Abjad Calculation:** The names you enter are used to calculate mathematical Abjad values.

4. Third-Party Services We work with trusted third-party service providers to operate our app:

- **Supabase:** Used for user authentication, database, and secure data storage.
- **Google AdMob:** May use advertising identifiers (IDFA/GAID) to show relevant ads.
- **RevenueCat / Apple StoreKit:** Used to manage subscriptions and purchases. We never store your credit card information; all payments are processed by Apple.

5. Data Security and Deletion Rights Your data is securely stored on encrypted servers (Supabase).

- **Account Deletion:** You can instantly delete your account and all associated data using the "Settings > Delete All Data" option within the app.
